Relevant Workexperience

STOCKHOLMS MUNICIPALITY

Parenting workshops | 2022-2023

I'm holding workshops for groups of people, who are in the process of adopting a child. This means that I'm in charge of the group dynamic, discussions and to give information.

SÖDERTÄLJE MUNICIPALITY

CBT therapist | 2007-2018

I mainly worked with CBT, cognitive behavior therapy in group and individually. For a period, I was also the teamleader. It was at this workplace, that I learned how to work according to LEAN.

DI LUCA & DI LUCA / ENJOY WINE & SPIRIT

Controller & web | 1999-2005

This was my first real contact with creating something for the web. Besides my roll as a controller, I was also involved in a webproject with everything from looking at the company needs to creating different content for the web.

Relevant Education

Chas Academy - UX / UI with frontend skills

From September 2022 to June 2024

This education covers everything från UX, UI and agile work to html, css. Javascript and React.

Nackademin - UX writing

Spring 2022

In this course, I learned how to write content for users with different challanges. So that they understand and use information and functions on a webpage.
